

GAVeCeLT Symposium 2010

Techniques of Ultrasound Guided Venipuncture

Auditorium, Catholic University, Rome
October 8th, 2010

The GAVeCeLT Symposium will take place during the 6th WINFOCUS World Congress on Ultrasound in Emergency and Critical Care (Catholic University, Rome, October 4th-9th, 2010).

Preliminary program

8.30 – 13.00

Techniques of ultrasound guided central venipuncture

Preliminary results of the International Consensus on Ultrasound Vascular Access
Technical aspects of ultrasound guided venipuncture: probe, needle, guidewire, etc.
Overview of the current approaches to ultrasound guided central venous access
Ultrasound guidance for short term central venous catheters
Ultrasound guidance for ports
Ultrasound guided venipuncture in children
Ultrasound guided venipuncture in neonates
Training in ultrasound vascular access
EKG guidance and US guidance: minimizing insertion related complications
Poster discussion

Invited speakers:

E.Desruennes, M.Pittiruti, M.Lamperti, A.Peris, A.LaGreca, J.LeDonne, S.Verghese, F.Orsi, R.Biffi, D.Bertollo, D.G.Biasucci, C.Pelagatti, G.Capozzoli, S.Pozzi

13.00 – 14.00

Lunch

14.00 – 19.00

Ultrasound guided peripheral venipuncture

Ultrasound guidance for PICC insertion

Techniques of ultrasound guided peripheral access

Ultrasound anatomy of arm veins and choice of the vein

Technical aspects: the catheter (reverse tapering, power injectability, etc.), the kit for microintroduction, the ultrasound machine

Prevention of nerve injury and accidental arterial puncture

Technical options, organization and economic issues

Risk management and patient safety: the role of ultrasound

EKG guidance + US guidance for PICC insertion: the SIP bundle

Ultrasound guidance for placement of peripheral access (short and long cannulas; Midline catheters)

The training for PICC insertion

Nurses and PICC insertion in Europe today

Poster discussion

Invited speakers:

T. Van Boxtel, G. Scoppettuolo, S. Batacchi, P. Cotogni, P.S. Sette, V. Ricci, P. Carideo, B. Mussa, A. Emoli, I. Migliorini, C. Pari, L. Dolcetti, C. Taraschi, D. Celentano, A. Mitidieri, O. Pisani
